

Opening Private Youtube Videos

1. Go to [youtube.com](https://www.youtube.com)
2. Click on “sign in” in the top right corner.
3. Sign in using the email and password that was created for that account.
4. Click on the red icon in the top right corner. A drop down menu will open.
5. Click on “Creator Studio”.
6. This will open your private videos.
7. Click on the video you would like to watch.
